

**2008 Words of Thanks from a few of you, but all the cards, emails, calls ....were sincerely appreciated.**

**We loved it too!**

*Congrats & Thank you to the Dancers, parents & teachers....you are exceptional!*

**My name is Sarah Barreca. I have been a teacher with Dance Elite going on ten years now. I have taught at many schools but I have felt for a long time that this studio teaches morals and ethics as well as dance. I'm telling you this because I wanted to let you know what the students and teacher (Marnie Palmer) did with their Dance Off Scholarship money. Instead of keeping it for themselves they decided that they wanted to help another individual. Because of their generosity (as well as yours) there is a young man in Milton who is getting his wish this summer through the Children's Wish Foundation.**

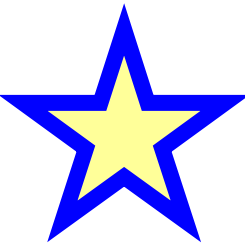

**I hope that you find this information as uplifting as did.**

**Have a wonderful summer and see you next year at your wonderful competition.**

**My daughter and i would like to thank you for your well organised competition. Your professionalisum as made the girls and boys better persons, just buy the way you have handled the french speaking kids. That we are slowly teaching them, the importance of speaking more then one language and that music is a good force of communicating. Once again thank you . The kids have grown on more step to a better future.**

**Sincerely yours.**

Hi Lynette We had a wonderful weekend. The studios were very strong to compete with and we were thrilled with our results. We came home with happy faces and lots of hardware. I didn't know that we won money as well - the kids will be delighted. I spread the word all the time as to how much we enjoy StarCatchers.

Very organzied - no nonsense going on - three judges of good varience of age and experience. I very much enjoy it - thank you so much.

Hi, Lynette

I'm sure that your exhausted from the weekend. Wanted to say thank you for a really top notch weekend. It was a real pleasure to share the space with all of the great competitors. The sense of cooperation in sharing the warm up space and keeping everything neat and tidy was exceptional. I'm happy to say that my daughter was one of the dancers in Caruso and her partner won one of the special awards, so, we all went home tired and happy. The girls are already saying that they want to attend one of your competitions next year. Thanks again and have a great summer.

We'll see you in 2009. Karen (Lynn Morrison School of Ballet)

Hi There,

I wanted to thank you again for a wonderful competition last season. It was great to receive the surprise scholarships.... I believe that almost all of our students will be attending the workshops and intensives offered. The dance off was fun for the kids and they loved taking part. The amount of awards and trophies given was really good. The smaller trophies for diamond awards, etc was great for the kids. Thanks again!

Sincerely,

Jessica Jardine (Jessicas Dance Innovations)  
Studio Director
